# BrageMedical

Welcome to Brage Medical AS,

Brage Medical AS, established in 2005, is a Norwegian distributor specialised in selling and distributing cardiology products, hygiene products and specific pharmaceuticals. We also provide consultancy services to the Norwegian and Nordic market.

As a team we have more than 60 years of experience in sales and marketing of Health Care Products in Norway and the Nordic countries.

We focus on specialized areas in the market where knowledge has great importance to our customers. Our mission is to be the chosen partner to work with through excellence in service, cost effective solutions and effective and precise transfer of knowledge,

We seek collaboration with innovative suppliers within our lines of business. We strive to have a strong focus on partnership, support, cooperation and effective use of common resources.

We will deal honestly and ethically with customers, suppliers and competitors and treat people fairly.

Kindest regards
